---

**Personal Statement** I am a well organised and punctual individual. I work well under pressure and as part of a team or on my own. My strengths include a huge amount of knowledge in the world of internet and technology. I am a strong communicator and an excellent time manager.

---

Skills	Organisation	Time management	Communication
	I am a very well organised individual who prides themselves on their ability to keep calm in stressful conditions and properly analyse a difficult situation.	I have excellent time management skills and I possess the ability to coordinate several tasks so that I can complete them within the allocated timeframe.	I am an admirable communicator. I enjoy speaking to people and conversing with them. This has helped me in the past with regards to speaking in front of groups of people, or indeed to individuals, one-on-one.

---

**Interests** *I have a keen interest in the following...*  
Technology, website design, communication, reading, social interaction, problem solving, situational analysis, laptops and computing, working with people, walking, mobile phones, mobile application development and software programming.

---

<b>Experience</b>	<i>Athlone IT – Denis McCarthy – (090) - 6471841</i> Here I focused in the fields of software programming and game development. I was given a brief each morning and a place to meet my supervisor. When we got to the classroom, I needed to complete the game assigned to me, to the best of my ability. Because of this, I have released a game on the Google Play Store, <i>Bacon Bash</i> .	18/02/2013 – 19/02/2013
	<i>Eden Carpets – Sean Murray – (046) - 9732655</i> Here I was employed to design a website for the customer. This involved creating detailed drawings and pitching my design to the client. I needed to convince them that they needed a website and that I was the one to build it. From time to time I work on this website to make any changes the client	05/08/2016 – 19/08/2016
	<i>Ericsson LMI – Arun Jose – (087) – 3723447</i> In Ericsson I worked with the Engineering Tools Team. I was involved with creating web apps which made the work of others easier and quicker to complete. Some of which related to booking meetings, or hiring new people. I also needed to attend weekly meetings as worked in an agile environment.	08/01/2018 – 31/08/2018

---

<b>Education</b>	<i>Straffan National School – (01) - 627 2255</i>	2002 – 2006
	<i>Ticknevin National School – (046) - 9553521</i>	2006 – 2010
	<i>Oaklands Community College – (046) - 9731573</i>	2010 – 2015
	<i>Athlone Institute of Technology – (090) - 6468000</i>	2015 - Current
